Pepper the little elephant woke up with a tickle in her trunk. “Ah... ah...” she said.

“ACHOO!” It was the biggest sneeze ever! Leaves and petals flew everywhere.

Poor Tilly the turtle was blown right over! She landed on her back, with her little legs wiggling.

Pepper felt so embarrassed. She hid behind the big acacia tree and covered her face with her ears.

Tilly rolled back onto her feet. “Wheee!” she giggled. “That was the best ride of my life!”

Pepper peeked out. “You are not cross?”
“Cross? I flew!” said Tilly. Pepper began to smile.

They found a field of fluffy dandelions. Pepper took a big breath and sneezed on purpose. Whoosh! Seeds floated up like snow.

As the sun set, Pepper and Tilly sat together. Even a very big sneeze, Pepper learned, can make a friend smile.
